NORTHERN ASSURANCE COMP'Y., LONDON. HEAD OFFICE FOR THE UNITED STATES, No. 37 South Third Street, Philadelphia. CAPITAL.....\$6,298,800 00 Paid up Capital and Surplus...... 2,194,111 02 June.

SECURITY TO POLICY HOLDERS. VH 18 old and responsible Company insures against loss or damage by Fire, almost every description of property, and offers to Merchants and others desiring insurance, the security of an actual Capital of \$6,298,800, for the whole of which, and for any liabilities beyond, the Shareholders are INDIVIDUALLY RESPONSIBLE, even to the extent of their entire fortunes. The Shareholders number about one thousand, and as a large portion of these are persons of great wealth, the most ample provisions exist for meeting every possible claim against the Company.

In appointing an Agent for the United States, the Company has empowered him "to appear to and accept any action or legal proceedings instituted against or by said Company, in the same manner as if the Company were a Corporation or Company established by the laws of the United States, or any of the several States." PROVISION FOR PAYMENT OF LOSSES IN

STATES.

THE UNITED STATES. A SPECIAL PERMANENT FUND HAS BEEN PLACED AT THE DISPOSAL OF THE AGENT AT PHILADELPHIA, TO ENABLE HIM TO ADJUST AND PROMPTLY PAY ALL LOSSES, WITHOUT REFERENCE TO LONDON. LIBERAL TO THE INSURED.

The uniform course of the Company has always been a liberal one towards Policy Holders. No just claim has ever been disputed, and prompt payment of losses is a standing rule. During the past year, losses exceeding \$525,000 were paid. Losses paid as soon as the amount is ascertained. ANNUAL INCOME. The Income of the Company is now about \$1,-

000,000, increasing gradually each year, showing that it has the confidence of the different communities in which business is done. RATE OF PREMIUM. The Rate of Premium will be moderate, and in all cases will be based upon the character of the

owner or occupant, and the merits of the risk. The conditions of Insurance are framed with the greatest liberality.

sep 28-dly SOUTHERN PROTECTION INSURANCE COMPANY,

ALEXANDRIA, VIRGINIA. CAPITAL OVER 350,000 DOLLARS, AND CONSTANTLY INCREASING. The Charter of this Company offers more favorable advantages to the farmer and others, than any

Company chartered in the State, by insuring with or without a premium note. If the applicant prefer, he can pay the full amount of the premium n each, or by effecting a cash insurance for two years, the insured saves one-eighth of the amount he would otherwise have to pay; or by becoming a member, and giving a small premium note, the insured saves nearly one-half of the amount charged by Stock Companies, when insuring from year to year. This is the advantage resulting from the CASH AND MUTUAL PRINCIPLE.

This Company commenced issuing Policies against loss or damage by fire, on the 15th day of March, 1854, since which time over seven thousand seven hundred persons have insured and become members of the Company, and over seventy thousand dollars have been paid for losses. Having increased our business during the past year, we feel grateful for the liberal patronage bestowed upon the Company thus far, and for its flattering prospeets of future usefulness. The Directors hope and believe, that, by prudence, caution, and a rigid system of economy, they will establish for this Company a reputation for cheapness and safety not surpassed by any Company in the U. States. All differences in settlement of losses, may be determined by three disinterested arbitrators of the County where such loss happened, to be mutually

chosen by the insured and the Corspany. DIRECTORS: James T. Close, H. W. Thomas, . Thomas T. Hill, T. B. Robertson, R. H. Carter, Dr. R. H. Stabler, Wm. Wright. Christopher Neale, P. D. Lipscomb. R. F. Lester. Silas Biglow, Ben. F. Nalic. George E. French, W. M. Tarner,

ST. NICHOLAS HOTEL, BROADWAY, NEW YORK. W HEN completed, six years ago, the ST. The Hotel has accommodations for 1,600 guests including too complete suites of apartments for families. Six hundred persons can be comfortably seared at the tables of its three public dining coms, and nothing that modern art has devised for the convenience and social gratification of the travelling public, has been omitted in its plan, or is neglected in its practical details. The early reputation of the house at home and abroad, derived from its magnitude, its superb appointments and its home-like comforts and luxuries, has been enhanced every year by the unwearied exertions

WHITE SULPHUR WATER FROM THE WHITE SULPHUR SPRINGS, GREEN-BRIER COUNTY, VA .- The long established reputation of the WHITE SULPHUR SPRINGS apon their medicinal efficacy unnecessary. For many years the waters of these Springs have been transported and used by persons at their own homes, and, experience fully testifies, with the same beneficial effects that have resulted from their use when drank fresh at the fountain

These waters are gently APERIENT and very decidedly ALTERATIVE. Their great forte as elterative power, or their peculiar operative influences, by which they stimulate Glandular secretions, resolve Chronic inflamations, overcome obstructions in the smaller vessels, and throw off morbid accomplations from diseased organs, thus producing the alterative or profound changes demanded in almost every case of Chronic disease.

As an APERIENT and ALTERATIVE, the range of diseases to which they are applicable will be apparent to medical men - such for instance. as Chronic affections of the Stomach, Bowels Lie-Rates - 50c. per meal; \$1.50 per day: \$9 per er, Kidneys, Skin, &c., &c. Upon the functions of the organs generally, they exert marked effects, stimulating those that are inactive, and establishing healthy secretions in such as have departed

> In DYSPEPSIA and in Chronic irritations of ancous coat of the Stomach and Bowels, they are employed with the happiest results. In the various forms of LIVER DISEASE, their superior efficacy has been long and firmly established. CHRONIC DIARRHEA is often cured by

them, after other remedies have been ineffectually | R. SMOOT, Major W. H. PADGETT, H. K To COSTIVENESS of the Bowels and to PILES, they are well adapted. In the secent forms of KIDNEY and BLAD-DER AFFECTIONS, quatended with inflamation, they are very serviceable.

To the second forms of CHRONIC OBSTRUC. gentlemen from Prince William, Fairfax, and Al-TIONS, &c., peculiar to females, their alterative exandria City and County, Va.; Maryland, and the influences are often eminently useful. District of Columbia. NEURALGIA and the various acreaus diseases, when they are the result of organic derangements, are treated with great success by these waters. In CHRONIC RHEUMATISM, their known efficacy is coeval with the early history of the

Springs. As a palliative of a most excellent effect in GOUT, their value has been long appreciated. In MERCURIAL DISEASES, and that peculiar affection that results from the abuse of Merca. y in symmetric affections, a full course of the Waer stands unrivalled in its curative powers. acr Pamphlets descriptive of the medicinal character and applicabilities of the Waters furnished gratis, on application to the Agents.

I knew a little maiden, A sprightly laughing elf, Who seems to think a great deal more Of every one than self. She's a darling little creature.

So lively, bright and gay, And sportive as a lambkin, In the genial month of May. Her voice as soft as Summer buds, Which chirp in every tree,

And like those children of the air, Charms with its melody. In jetty tresses falls her hair,

Upon a neck of snow. Which crowns the pearly whiteness of Her fair and lovely brow. Her eye now beaming bright with mirth,

At pleasure's lively cheer, Or dimmed when tales of sorrow come With pity's feeling tear. Ah! child, may never sorrow,

Shroud thy young life with care, And may thy footsteps guarded be From every wicked snare. May love as pure as that with which Thy youthful heart is stored. Around thy household, home and hearth, Be ever fondly poured!

Salem, Fauquier County, Va. DR. ALEXANDER ON MR. SPURGEON. LONDON, June 29, 1859 .- I have heard the wonderful Spurgeon. I am told the effort was feeble, for him. He has none of those captivating intonations which we remember in Summerfield and others; neither should I judge him to have any pathos. His voice is incomparable, and perfect for immense power, sweetness and naturalness. His pronunciation admirable, with the never-failing English eyther, knowledge, worth, &c. Though very like his likeness, he becomes almost handsome when animated. His gesture is sparking and gentlemanlike. I detect no affeetation. The tremendous virtue of his elocution is in outery, sarcasm, and menace, and his voice improves as it grows louder .--I seriously think his roice the great attraction. His prayers were consise and solemn
